

HOTEL POLICY FOR THE COMMUNITY

The "Meltemi Village " hotel states in its policy that the community is everyone's responsibility It is committed to ensuring that attention is paid to the processes that affect the local residential and business community.

The hotel "Meltemi Village " is an important factor and supports the economic and social contribution to the local community wherever and whenever possible.

Our goals are:

1. Certification

To meet wider sustainability criteria, we will faithfully follow procedures to protect the environment with the aim of obtaining the Travelife Award.

2. Promotion of Responsible Tourism in the area

The "Meltemi Village " hotel supports the local community and ensures the promotion and improvement of the residential and business community, as well as being active in informing and protecting the tradition of our place.

The "Meltemi Village " hotel will support local municipalities in their efforts to promote programs such as garbage recycling, water consumption reduction, tree planting, beach cleaning, etc.

3. Purchase

Our aim is to buy and promote products from the local market, as long as we have ensured their quality, resulting in the reduction of carbon dioxide emission due to transport.

Where possible, we pay our suppliers within the credit terms they request or agree to the most suitable terms for both parties.

4. Employment

The "Meltemi Village " hotel recognizes the importance of recruiting and employing local employees who in turn will spend in the local community bringing local economic benefit. Hotel "Meltemi Village " facilitates local residents so that they do not look for work outside. This company contribution policy brings about the preservation of the vital community structure, which is part of the unique hospitality product at the "Meltemi Village " hotel.

5. Donations and Charities

It is the policy and principle of the hotel "Meltemi Village " to make annual donations and charities to schools, churches, charities and hospitals. Hotel "Meltemi Village " actively helps local municipalities were requested and supports/promotes local businesses.

This policy will be reviewed annually for its continuous adjustment.
